- e) Unfortunately this pilgrimage does not have provisions for disabled people and is therefore unsuitable for them. However if you consider that your condition does not prevent you from taking part, please phone Trevor at number below. It is of the essence that you provide a full disclosure of your disability to enable the organisers to assess whether this pilgrimage would be suitable.
- f) This pilgrimage is run as a spiritual pilgrimage, in the Fatima spirit, with daily Mass and the Rosary. It involves some walking and early morning rising some of the days. Those wishing to book need to be prepared for this and to follow the group. In if doubt please consult the organisers before booking.
- g) Please note that there is a fair amount of walking on some days, with steps inside and outside buildings, and that this pilgrimage is not suitable for disabled people or for those not fully mobile (we simply do not have the necessary facilities and organisation). Any personal conditions will be noted as you disclose them on your booking form. Very occasionally however, on some past pilgrimages, it was found on arrival in Fatima that a person had not disclosed a personal disability/condition that required, for example, the use of a wheelchair, or other artificial walking aid, or other limiting personal condition (i.e.: ability to walk no more than a short distance) and that specific personal assistance was required (which this pilgrimage does not and cannot provide). Such condition would make such a person unsuitable for this pilgrimage and he/she, in actual fact, should not book. Should such a rare situation occur and someone books for this pilgrimage without clearly stating personal disabilities/conditions/limitations, the pilgrimage organisers (A Day With Mary) reserve the right to restrict or deny access/coach travel to such persons to sites on our programme as they consider necessary and at the pilgrim's expense. Please also note that failure to disclose personal conditions/disabilities may invalidate your travel/medical insurance and could have serious consequences for you in case of need whilst abroad. Without wishing to make you feel at all unwelcome, we thought to point all this out to you now so that matters are clearly understood in advance in those personal cases where the above should happen to apply (very rare ones in our experience). Should you have any queries please contact the organisers before applying. Thank you for your understanding.
- h) The cost of your Pilgrimage. The prices shown in our poster/above were calculated in January 2009 on the basis of then known costs and the exchange rate of £1 : €1.1. We reserve the right to increase the price of your pilgrimage to compensate for any adverse change in the exchange

rate and because of any increase in fares and increases in taxes and dues or the implementation of new ones. It is a condition of this pilgrimage that we will absorb the first 2% of any increase in prices and that you may withdraw from the tour if the surcharge exceeds 7% of the published tour price.

- i) *Travel between Heathrow Airport and your home is your responsibility and is not included in the pilgrimage cost.*
- j) Please make your own copy of this form for your safekeeping before returning it to us.
- k) In compliance with the UK Package Travel, Package Holidays and Package Tours Regulations 1992 and the Civil Aviation (Air Travel Organiser's Licensing) Regulations 1995 an insurance policy has been arranged with Travel & General Insurance Company plc, authorised and regulated by the Financial Services Authority, to protect customers' prepayments in the unlikely event of our financial failure and paid in respect of:
 - flight inclusive packages commencing and returning to the UK
 - non-flight inclusive packages commencing and returning to the UK
 - the ground handling aspects of packages where the customer is responsible for arranging travel to the destination
 - inbound business to the UK
 offered in this brochure/literature/document/on this website (subject to the terms of the insurance policy), for:
 - a refund of such prepayments if customers have not yet travelled, or
